

TESTIMONIALS

"My son did
Techkidz and he loved
every minute of it. Well done."

-Edwina

"Our boys had a fantastic week. Wanted
to book next year's summer camp the day
they finished!! Thanks so much! -Maureen

"Brilliant Camp - my kids can't wait for next
year"

-Mona

"It was first summer camp for my daughter
she absolutely love it. Can't wait for another
one."

-Adrianna

"Would highly recommend. Can't wait for
next year"

-Sean

"Thanks for a fantastic week, excellent camp
and leaders."

-Catherine

We will be adhering fully to the latest
Covid 19 guidelines. Our camps have been
adapted to ensure the same wonderful
experience while maintaining full
compliance with hygiene guidelines. For
the most up to date information.

Our Multi Activity Technology Camps are for children aged 7 – 13 years.

All children will improve their basic computer skills & be introduced to

Word, Internet browsing and some useful tricks for **Mouse and Keyboard**.

Children have the opportunity to get creative and practice their skills, designing and making their own Badges, T-Shirts and lots lots more.

Children will be introduced to **Coding and Programming** and will be designing and creating their own **Computer Games**.

Children will work on a wide range of activities including; **Animation, Robotics, Computer Programming, Coding, Web Design**, and creative computer games such as **Minecraft and Roblox**.

Our Tech Camps aim to develop children's Computational Thinking in a fun, creative environment. We teach children how to stay safe online and provide them with the opportunity to develop social, personal and teamwork skills.

CAMP INFO: Camps run for 5 days each week (either morning or afternoon). Techkidz will provide all equipment required for the week. The cost of the Camp is **€115**. Places are limited, **Book early to avoid disappointment**.

LOTS OF FREE GIFTS INCLUDED
 BAGS, WRISTBANDS
 BADGES T-SHIRT
 LEARNING PACKS

Children are grouped with children of similar age. We aim to design a programme to inspire and challenge children in a fun and innovative manner. Camps are run by a trained team hand picked from the teaching profession. T&C's apply see www.techkidz.ie for details
